

Kodiak Building Partners announces the formation of Freedom Materials in the Mid-Atlantic

For Immediate Release November 9, 2015

(Newark, DE) Freedom Materials and Kodiak Building Partners announced the formation of a new drywall and related building materials distribution unit, based in Newark, Delaware.

Steve Swinney, Kodiak CEO, stated, “We are thrilled to be partnering with Silvio Ferrari in the formation of this new company. Silvio brings nearly 25 years of excellence in serving customers in the building materials distribution industry. This opportunity is another example of our continued focus on partnering with strong management teams to grow Kodiak”.

“I’m excited to take this next step in partnering with the team at Kodiak to grow a drywall distribution business in the Mid-Atlantic region” said Silvio Ferrari who will lead Freedom Materials.

Kodiak Building Partners was founded in 2011 to invest in housing and building products related companies with a long-term, build-and-grow strategy. Kodiak’s portfolio companies consist of fabricators and distributors of building products with locations in Colorado, Texas, Michigan, Massachusetts, and Delaware serving commercial and residential contractors, builders and sub-contractors with a wide variety of products including steel, gypsum, lumber, doors and millwork, windows, cabinets and appliances.
