

### **Jeff Smith | Chief Financial Officer**

Jeff Smith is the Chief Financial Officer of Kodiak Building Partners, overseeing all financial, accounting, and administrative aspects of the organization. With extensive experience in financial restructuring and risk management, Jeff ensures efficient financial operations, including accounting, audit, financial planning, treasury, and banking. Previously, he served as Vice President and Treasurer at ProBuild Holdings, where he restructured the company's debt and led financial reporting innovations as Vice President and Corporate Controller. Jeff holds a BS in Accounting from the University of Denver and is active in industry leadership, serving on various panels and committees, including the Customer Experience Advisory Committee at the University of Colorado Leeds School of Business. Jeff was named a 2024 Titan100, recognizing his exceptional leadership and influence in the industry.
