

Cliff Shimer | EVP, Business Transformation

Cliff Shimer is Kodiak's Executive Vice President of Business Transformation, responsible for overseeing Information Technology, Human Resources, Continuous Improvement, Marketing, and National Accounts. In this role, he drives operational alignment, fosters innovation, and creates value across Kodiak's diverse network of companies. Prior to his current position, Cliff served as Senior Vice President of Kodiak's LBM operations in the Southeast and President of American Builders Supply, where he led operations for 11 facilities across Florida. Cliff has over 15 years of experience in the building materials industry and holds a BS in Business Administration with a concentration in Marketing from West Virginia University.
