

Darius McCurty | SVP, Corporate Controller

Darius McCurty is the Senior Vice President, Corporate Controller at Kodiak Building Partners, overseeing accounting and financial functions across all Kodiak entities, including audit, tax compliance, and mergers and acquisitions integration. Joining Kodiak during its early stages, Darius played a pivotal role in building the entire accounting and financial organization, contributing significantly to Kodiak's growth trajectory. His career began at PwC in audit and later included a role on the IPO readiness team at Archstone. Darius holds a Master of Professional Accountancy (MPA) from the University of Wisconsin in Whitewater and has been honored with the 2024 LBM Journal 40 Under 40 award and the 2023 Denver Business Journal C-Suite Award.
