

Pat Flood | Executive Vice President, Operations

Pat Flood is the Executive Vice President of Operations at Kodiak Building Partners, overseeing LBM and gypsum distribution businesses nationwide. Joining Kodiak in 2015 as Co-President of New England Building Supply, Pat quickly integrated into the company and has been instrumental in its growth. With a background rooted in his family's lumber business in Wisconsin, Pat has held various roles from forklift operator to General Manager at Seigle's and Dunn Lumber. Committed to community service, Pat served 34 years as a paid on-call firefighter and actively participates in the Rotary Club. He holds a BBA in Business Administration, Management, and Operations from UW-Whitewater in Wisconsin.
